

## Skills Support for the Workforce in Worcestershire – Funded Training for Graduates

Are you a graduate in employment? Your employer may be able to access funded training through the Skills Support for the Workforce programme (SSW) to help you progress in your career. SSW is a programme developed to upskill employees within small and medium-sized businesses in Worcestershire. SSW provides recognised accredited qualifications and bespoke training courses to enhance employee skills, increase the competitiveness of businesses and boost the local economy.

SSW is co-financed by the Education and Skills Funding Agency and the European Social Fund. This means you can access a wide range of training at no cost\* to yourself or your employer. \*subject to eligibility

### What's on offer?

- A training needs analysis identifying the skills you need to support your career ambitions
- Flexible training – choose full qualifications or mix and match individual units
- On-the-job vocational training to meet individual and business needs including taught learning, workplace assessment, distance learning and online learning
- Learning pathways enabling you to progress within your organisation onto higher level qualifications or apprenticeships
- Recognised accredited qualifications and training courses to enhance your skills

A wide range of training is on offer through our network of expert training providers including:

- Digital Skills & Social Media
- Business Administration
- Customer Service
- Sales
- Team Leading and Management
- Mentoring
- Health & Social Care
- Communication

SSW in Worcestershire is managed by Serco in partnership with Worcestershire Local Enterprise Partnership (WLEP). Serco delivers the training through a network of expert training providers.
