

Organisation Name	arrangeMY
Brief background information on organisation	arrangeMY are a travel management company arranging Travel, Event Management, Accommodation and Hospitality for corporates. After upgrading the lighting to LED an opportunity to install a Solar PV system to reduce carbon and energy consumption on site has been agreed.
Information on the tender opportunity	arrangeMY currently have no Solar PV installed on their two storey building. We are looking for an installation to reduce our reliability on the grid and supply our own energy.
Responses to the tender should include	Supply and installation of a 26.73kW peak SolarEdge PV Solar system including 66 x 405w Solar Panels, 33x Optimisers and a 25kw SolarEdge Inverter. Access equipment and scaffolding will be required along with removal of all waste. Installation to commence ASAP once the DNO has been approved.
Selection criteria	The contract will be awarded to the most cost-effective tender that meets the requirements of the tender, pending relevant credit checks.
Payment terms	Payments will be made as follows: 25% on order, 35% on delivery and 40% on day of project completion.
Closing date	25 th April 2024 10:00 noon. Project will commence on the DNO has been agreed by Western Power.
